Loyalty of Japanese To America Stressed

"Keenly alive to the need of promoting better and closer relationships between Japanese Americans of San Mateo County and their adopted country," Fred Ochi of Palo Alto was installed last week as president of the Japanese American Citizens League of San Mateo County at a dinner meeting held at Grace & Pierre's restaurant at Atherton.

In accepting the gavel as successor to Dr. George Takahashi of San Mateo, Ochi said that one of the emphasized aims of the society will be to let Americans know that American citizens of Japanese parentage stand loyally with this country in the world crisis.

The installation followed a speech by Frederic O. Glover of Burlingame, editor of the Advance, urging Japanese Americans to be "200 per cent American" so to let this country know of their loyalty and patriotism.

Other officers installed included: Vice president, Sutemi Sugaya, of San Mateo; recording secretary, Sally Kawakita of San Mateo; corresponding secretary, Naoye Mayeda of San Mateo; treasurer, Hiroshi Ito of San Mateo; historian, Hideo Kariya of Belmont; English publicity, Joseph Yamada, and Japanese publicity, Motoichi Takahashi, both of San Mateo.

The cars were driven by Mr. McKeown and Miss Perry.

SAN FRANCISCO — Gladys Swarthout, prima donna of grand opera, the screen and radio, will arrive here next week for a concert at the War Memorial Opera House Wednesday night under management of San Francisco Opera Association.

Miss Swarthout, lovely star of the Metropolitan, will give a program that will represent the best of her extensive repertoire. There will be one or two operatic selections, a number of songs from the classics and a group of six numbers by American composers.

Miss Swarthout appears here under the management of the Opera Association. Tickets for the concert are now on sale at Sherman, Clay & Co. Following this attraction there will be two remaining events on the Winter Series of the Opera Association, Marian Anderson, Tuesday Feb. 11, and Vladimir Horowitz, Thursday, Feb. 13.

Third Draft To Take 37 From Here

While Redwood City's 24 selectees who were inducted at San Francisco Monday were becoming acclimated at the Monterey Presidio to army life, official announcement came from Sacramento that this draft area's next quota between Feb. 17 and Mar. 14 would be 37 men.

George F. Paul, clerk in the local draft office, said he understood the quota was 13 or 14 less than otherwise would have been the case because that number of men had enlisted in various branches of the nation's military and naval service.

The new call—the third since national registration last October—listed the state's quota as 11,662 men, 170 of whom are scheduled to come from San Mateo County's five draft areas.

Daly City will supply 18, Burlingame 40, San Mateo 60 and Menlo Park 15.

Paul pointed out that all 24 of the men sent from here this week had been accepted at the San Francisco induction station, while other draft areas had had men rejected for physical reasons. He said he had been informed the selectees were to be sent to Monterey Presidio for a week or 10 days and then transferred to Fort Ord. From there many probably will be transferred again to different parts of the country.

The third quota is the largest of the three. The first call took 1127 Californians into service and the second drafted 6231.

Review Board Members Draw for Terms

Redwood City Review Board, which under the civil service ordinance will hear complaints of city employes regarding their employment status and conditions, met Tuesday to draw for terms of office. The board was appointed recently by the city council.

The terms drawn by the three commissioners were: Thomas W. Cutting, one-year term expiring Jan. 15, 1942; Robert Littler, three-year term expiring Jan. 15, 1944; Earle F. Clegg, five-year term expiring Jan. 15, 1946. At the expiration of the terms, new appointments for six-year terms will be made by the city council.

In addition to conducting hearings for city employes, the board will put into effect the position classification plan for employes. City Manager C. L. Dimmitt is personnel officer for the civil service organization. Another meeting of the board, when its organization will be completed, was set for Thursday evening, Feb. 6.

S. M. School Head Called Into Service

SAN MATEO—Ordered to active navy duty aboard the U.S.S. Brooklyn Mar. 1, Leil L. Young, San Mateo School superintendent for the past two years, resigned his position here, explaining that because of the indefinite nature of his coming service in the armed forces, he preferred to quit outright rather than ask for a leave of absence.

Clark Robinson, district supervisor and administrative aide to Young who was appointed recently as superintendent of San Carlos school, effective July 1, probably will complete the school year as active superintendent, but will not seek Young's position, he said.

Young's family is expected to remain in San Mateo although Young will work out of San Diego.

A STUDY IN Comfort

The EYES are taking it easy too . . . with a
BETTER SIGHT LAMP

It is easier to study when there is enough elbow room for comfort. A student needs plenty of desk space to spread out books and papers. But ease of elbow room is not enough. The eyes must take it easy, too.

There is a Better Light for Better Sight Lamp made just for this situation. The swing-out-swivel-arm lamp takes no desk space and can be pulled up so as to shed its light over the left shoulder.

And because it is a genuine I.E.S. Better Sight Lamp, the eyes see with complete ease.

Now with the school and college semesters beginning, the wise parent will see to it that good light is a part of the back-to-school equipment. Remember good light is cheap and sight is priceless.

11 on Bus Uninjured In Crash

Much confusion, but, luckily, no injuries, resulted from a bus-automobile crash at Baldwin Ave., and San Mateo Dr. in San Mateo at 9:28 a.m. today.

Involved in the crash were a Pacific Greyhound "pusher type" commuter bus, driven by Merle E. Peters, 100 Duane St., Redwood City, and an automobile driven by Annie B. Lapham, 1322 Palm Ave., San Mateo. The car's driver was shaken up, but declined medical aid. Peters and 10 passengers aboard the bus were unhurt.

The bus, swerving in an effort to avoid the car, caromed after the crash and hit a power pole head-on, shearing the pole off at the base.

Police said if the pole had not been there the bus undoubtedly would have jumped a curb and smashed into the Swap Shop, 201 Baldwin Ave.

Because the pole carries four "hot wires" carrying 20,000 volts of electricity, the bus had to be left against it as a support until P. G. & E. repairmen could tie the pole to the Knights of Columbus Building.

And the bus, parked at an angle, blocked Market St. Railway tracks where they turn the corner onto Baldwin.

For an hour afterward, northbound street cars ran on the southbound track on Ellsworth Ave., which usually is reserved for cars leaving San Mateo for San Francisco. The change had to be made to get the street cars past the bus.

Police said Mrs. Lapham, eastbound on Baldwin Ave., admitted "jumping" an arterial and driving in front of the northbound bus.

The entire right side of the automobile was demolished and the front of the bus, near the driver's seat, was caved in.

Now You See It--Now You Don't

Regarded as one of the major advances of the automobile industry, concealed safety steps replace the old-fashioned running boards on all 1941 Chevrolet models. Here, Charles De Micheli shows at left how a person "walks in and out" of the car on a dry step. At right, the door conceals the step and creates a streamlined contour.

Doris Cunningham Is Married Again

SAN MATEO—Once wed for a brief time to James McDonald III, oil fortune heir, Mrs. Doris Cunningham McDonald McNeill has been married again, this time to Robert L. Ahearn of Boston, according to her mother, Mrs. George C. Laden of Hillsborough, who said the couple were married in Mexico Dec. 31. They are living in Pasadena now but will leave for the East in April to live in Narragansett during the Summer, Mrs. Laden said.

Mrs. Ahearn's first husband was McDonald, whose previous marriage to Alecia Breeze McDonald resulted in a long annulment suit and a Reno divorce. Second husband of Mrs. Ahearn was Harold James McNeill of San Mateo.

'Sucker' G-Man Is Transferred

Transfer of R. J. Bobbitt, chief assistant to Federal Bureau of Investigation Chief Nat L. Pieper of San Francisco, presumably to Los Angeles, was learned Tuesday.

Bobbitt was in direct charge of the recent G-man fiasco which resulted in the escape of an extortioner who had demanded $20,000 from Count Marc de Tristan of Hillsborough, father of little Marc Jr., who was kidnaped last November.

The transferred FBI man headed the expedition to a Santa Rosa cabbage patch from where the extortioner escaped after Bobbitt himself handed him a dummy cigar bax supposedly containing the extortion sum, but actually containing nothing but old newspapers.

Still in San Francisco yesterday, Bobbitt issued a terse "no comment" on his transfer.

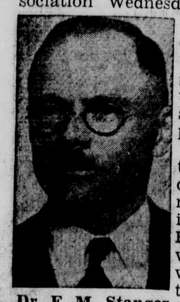
San Mateo County Museum Opened to Public View at Junior College

Historical Association

Many Interesting Memos Viewed on 'Opening Night'

An excellent start towards what members of the San Mateo County Historical Association hope will some day be a large museum in a building of its own was open to public view today at San Mateo Junior College, following the meeting of the association Wednesday at which the room full of mementoes of a bygone day were viewed by some 200 people.



Dr. F. M. Stanger

Hours when the room, located in the main building at 124 Baldwin Ave., will be open were not determined yet today, but in all likelihood they will include the daytime and evening hours when classes are in session at the college.

One of the items on display is an old $10 gold piece—first money contributed toward a building for the museum. It was given Tuesday by Jerome Hamilton, San Mateo.

Speaker at the "dedication" was History Prof. Herbert E. Bolton of University of California, who congratulated San Mateo County warmly on having "a historical society which is active" and in making the start on a museum.

"Every region is responsible for the preservation of its own history," he pointed out at the outset of his talk, which delved into the history of San Mateo County and the Bay Area and its explorations by land and sea.

Besides the entertaining talk, a reading, Mark Twain's "Jumping Frog of Calaveras County," was given by Miss Ada Beveridge, junior college drama instructor, and Miss Phyllis Jones played several harp solos which were warmly applauded.

In 1918, England's national war expenditure amounted to $35,000,000 a day.

DR. STANGER ELECTED FOR THIRD TIME

Dr. Frank M. Stanger was re-elected president of the San Mateo County Historical Association for a third term Wednesday at the conclusion of the meeting held in connection with opening of the museum.

Elected as vice presidents were Paul A. McCarthy of Redwood City, Clive M. Saiz of Daly City (re-elected) and Merritt R. Hosmer of San Carlos, who had served as secretary-treasurer. Succeeding him in that position is Dr. Harold F. Taggart of San Mateo.

The new officers will appoint four directors.

Flu Gone Except for 25 Cases at San Mateo

Although the influenza epidemic which struck all parts of the county last month has entirely disappeared in other cities, San Mateo last week had 25 cases, County Health Director C. C. Gans reported in his weekly bulletin on communicable diseases.

There were five cases of chicken pox, two each at Burlingame and Menlo Park and one at Purissima. Whooping cough was reported as follows: Redwood City 1, Brisbane 2, North Palo Alto 1. Two cases of German measles were listed, one at Burlingame and one at San Mateo.

The first patent in America was granted 150 years ago.

Final Street Payment Made in Atherton

ATHERTON — Final payment for street improvement in Atherton was authorized this week by the city council.

The work, recently completed, involved paving of three streets by the Union Paving Co. Final payment on the improvement was $1738.79. The authorization provides for payment of the sum on Feb. 10 providing no labor or material lien are filed by that time.

Feb. 25 was set as the date for a hearing on an amendment to the zoning ordinance. The council accepted the final report of the planning commission covering the amendment, which concerns a change in setbacks on corner lots.

A special meeting will be held Feb. 7 for residents of the west end of Atherton, at which time the property owners and council members will discuss the sewer problem concerning that section of the town.

The council acknowledged receipt of the first tax installment of $16,236.39.

Authorization was given for the building of a garage, to cost $490, at the town hall.

LEAVES $24,000 ESTATE

Mrs. Rosa Lagomarsino of Lawndale, who died July 19, 1939, left an estate valued at $24,229.49, according to an inventory and appraisement on file today in superior court. Virtually all of the property was in real estate. The estate was left to seven children.

Mt. Carmel School To Aid Amateur Show

Six acts from Mt. Carmel Parochial School will be on the program to be presented at the annual amateur show sponsored by San Mateo County Council, Knights of Columbus. and to be given tonight at 8 p.m. at the lodge hall in San Mateo.

A varied program will be given, with all parochial schools on the Peninsula participating. Cash prizes will be awarded. Grand Knight Elmer Hughes said judges will include William Bergin, Pat Kearns and Leo Kirby. James Delhousaye will be master of ceremonies.

All visitors to Paraguay from abroad are asked to report to the police on arrival and to apply for a permit to leave the country. A government decree (1936) forbids the entry of Jews, irrespective of nationality, into the country.

USE POT HOLDERS

Always use pot holders or a dry cloth to remove dishes from a hot oven. If a damp cloth is used, steam might arise and cause a severe burn.

Research conducted at the University of Chicago indicates athlete's foot may be caused by nervous exhaustion and inability to relax properly as well as by a skin fungus of the toes.

APPLE PANCAKES

2 cups all-purpose flour
2 tsps. baking powder
1 tsp. salt
2 tbsps. sugar
3 eggs
2 tbsps. melted butter or shortening
1 to 1¼ cups milk
1 cup finely chopped cooking apples

Sift flour; measure; sift again with baking powder, salt, and sugar. Beat eggs well; add butter or shortening; add flour mixture alternately with milk, mixing until smooth after each addition; fold in apples. Drop by spoonfuls onto hot lightly greased griddle or heavy frying pan; turn cakes when bubbles break; fry until golden brown. Makes about 12 medium-size pancakes.

FRENCH APPLE PIE

4 cups thinly sliced cooking apples
¾ to 1 cup granulated sugar
2 tbsps. flour
1 unbaked pastry shell
½ cup dry bread crumbs
½ cup brown sugar, firmly packed
2 tbsps. finely chopped walnut meats
¼ tsp. cinnamon
1 tbsp. melted butter

Combine apples, gran. sugar, flour; arrange in pastry shell. Bake in moderate oven (350°F) 45 mins., or until almost tender; cover with paper plate or disc of wrapping paper if apples begin to brown. Top with mixture of crumbs, brown sugar, nut meats, cinnamon, butter. Continue baking in moderate oven (350°F) about 10 mins. longer, or until brown. Makes one 9-in. pie. Serves 6 to 8.
